

COPYRIGHT INDEMNIFICATION

ClarkCards is committed to maintaining the strictest compliance with United States copyright laws. ClarkCards will not print or reproduce any copyrighted photos without a written release from the copyright owner.

The following is contained in Article 20 of the Printing Industry Trade Customs (1994 revision).

1. Copyrights. The customer warrants that the subject matter to be printed is not copyrighted by a third party. The customer also recognizes that because subject matter does not have to bear a copyright notice in order to be protected by copyright law, absence of such notice does not necessarily assure a right to reproduce. The customer further warrants that no copyright notice has been removed from any material used in preparing the subject matter for reproduction. To support these warranties, the customer agrees to indemnify and hold the provider harmless for all liability, damages, and attorney fees that may be incurred in any legal action connected with copyright infringement involving the work produced or provided.

2. Personal or economic rights. The customer also warrants that the work does not contain anything that is libelous or scandalous, or anything that threatens anyone's right to privacy or other personal or economic rights. The customer will, at the customer's sole expense, promptly and thoroughly defend the provider on all legal actions on these grounds as long as the provider:

- promptly notifies the customer of the legal action; and
- gives the customer reasonable time to undertake and conduct a defense.

The provider reserves the right to use his or her sole discretion in refusing to print anything he or she deems illegal, libelous, scandalous, improper, or infringing upon copyright law.

The undersigned agrees to be bound by Article 20 of the Printing Industry Trade Customs (1994 revision) in regards to copyright and personal/economic rights indemnification for all matter submitted to ClarkCards, a Minnesota corporation. The undersigned agrees to protect ClarkCards from economic loss and any other harmful consequences that could arise in connection with the work submitted.
