

PROOF WAIVER POLICY

REVIEW CAREFULLY

All ClarkCards customers need to sign and date this policy one time.
Please return this sheet with your first order.

PROOF WAIVER POLICY

ClarkCards recommends that all customers view an actual color proof. We require that an accurate final proof be provided to our production staff in order for a job to be formatted for a press run. If you choose not to view this proof, or to view it only on the web or by fax, you may not notice certain errors that are your responsibility to proof. **WEB PROOFS AND FAXED PROOFS WILL NOT SHOW ACCURATE COLOR, CLARITY, OR SIZE.** ClarkCards will NOT accept responsibility for missed details or color accuracy when customers do not view the final color proof.

The undersigned agrees to be bound by this policy
regarding ALL projects submitted for printing
to ClarkCards.
